

RIVERTON AQUANAUTS SWIMMING CLUB RACE ENTRY AND TIMEKEEPING POLICY

Help the Club help your kids

Swimming clubs rely purely on volunteers (usually parents and/or guardians) and the work needed to run a club smoothly for all our wonderful swimmers should not be left to a small band of volunteers, who may otherwise find it difficult to do all the jobs necessary. So, **please**, if you see that help is needed at any club event please step in and offer to help. If all parents willingly do this, club functions will run smoothly, efficiently and quickly.

Entries

Online entries for swim meets and club nights must be submitted by the closing date and no late entries will be processed. The closing dates are advertised on My Swim Results (MSR) and it is usually during the week leading up to the event. A reminder is sent out from the club notifying the members that a targeted event or club night entries are closing soon.

Volunteer rosters

At each external swim meet, our club is allocated duties (such as time-keeping, selling programs and refreshments) depending on how many RVA members have entered. A roster is produced before each meet and all RVA entrants must provide a helper to fulfil the allocated duties. It is your obligation to be available for this role at every competition at which your child competes. This generally only involves making yourself available for 1 to 1.5 hours and the duties are easy.

The members will receive an email with the roster of those attending. If for some reason a timeslot cannot be filled it is your responsibility to arrange someone else to do it for you.

Please be aware that making up the roster is generally time consuming and much more complex than it looks. We will try to accommodate everyone that is on the roster but please note, this may not always be possible. So please be courteous and helpful when making requests (try and avoid doing so if possible). Should a swimmer not be able to provide a parent or nominated person on the day of the race meet, they may lose selection preference at interclub meets and/or access to funding for interstate meets.
